

SOMETHING BLEU

Concierge Bridal - Measurements

HOW TO TAKE YOUR MEASUREMENTS:

You will need to be in your bra and undies for this! We've put together a video tutorial on our website. You can find it on the Concierge Bridal page or at this URL: <https://somethingbleubridal.com/how-to-measure-yourself-for-a-wedding-dress/>

You will need: measuring tape (included) and another person.

Please photograph this and email to: brides@somethingbleubridal.com along with any photos of you in the dress and a description of how the sample fit you.
